- that is of common knowledge;
- that we know or, in the ordinary course of business, ought to know;
- where we waive your requirement to comply with your duty.

If you do not tell us

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the policy in respect of a claim or may cancel the policy. If your non-disclosure is fraudulent, we may refuse to pay a claim and treat the policy as never having worked.

Significant Risks of this Insurance

The following information lists some of the significant risks arising under the policy. It is important that you take the time to carefully read the policy wording in full before applying for this insurance. If you breach or do not comply with the terms of the policy, subject to the Insurance Contracts Act 1984, we may refuse to pay your claim or reduce any payment.

Automatic adjustment of agreed value

We automatically adjust your agreed value on renewal in accordance with the motor industry's estimate of the change in the current market value of your vehicle over the past 12 months.

If you do not agree with the amended agreed value advised by us you may contact us to discuss a different agreed value.

Under-insurance

It is important that the agreed value you select for your vehicle reflects its true value. If you select a figure that is too low you may not be able to replace your vehicle in the event of a total loss. If you select a figure that is too high you may be paying unnecessary additional premium.

Policy limits

Monetary or time limits apply for some items, e.g. cover for personal effects, emergency expenses and uninsured trailer are all limited to \$500. Refer to Section 2D – Additional Benefits automatically included on pages 28-31 for full details.

Excesses

An excess is the amount you have to pay or contribute in the event of a claim under the policy. You may be subject to one or more excesses under the policy. A full description of all the excesses that may apply can be found on pages 20-21 of the policy wording. The actual excess amount you have to pay is displayed on your policy schedule.

Disclosure

You have disclosure obligations under this contract of insurance, which are set out on page 7 of this PDS. Failure to comply with these obligations can have serious consequences in terms of your insurance cover or in the event of a claim being made by you.

Payments

Through your financial institution, we offer you various ways in which you can pay for your premium. If you fail to pay the premium for the policy, subject to the Insurance Contracts Act 1984 we have the right to cancel the policy. See General Conditions on page 38 for full details and consequences if you elect to pay by instalments.

Standard Cover

The terms of this insurance contract vary from standard cover prescribed under the Insurance Contracts Act 1984.

General Exclusions of this Insurance

The insurance we offer to you under the policy provides cover for certain events. There will be situations where the policy provides no cover at all. Those situations are set out in the policy wording and in some cases in your policy schedule. The following is a list of some of the general exclusions of the policy:

- any amounts in excess of the agreed value;
- any intentional acts by you or your family or with your consent;
- where the driver of your vehicle is under 25 years of age and you have selected the restricted driver option (subject to certain exceptions shown on page 23);
- if your vehicle was being used for a purpose that was not an acceptable use;
- any rust or corrosion occurring to your vehicle;
- driving under the influence of alcohol or drugs;
- if your vehicle has been modified from the original manufacturer specifications and we have not agreed in writing to cover these modifications.

Confirmation Facility

You may obtain confirmation of any policy transaction by calling 1800 730 121 or emailing insuranceservices@cunamutual.com.au

How We Price this Insurance Product

Our product pricing philosophy is based on a number of criteria. Some factors are pre set and don't vary for each insured (e.g. amounts we take into account for certain internal costs and expenses). Some information you provide about your personal risk situation relevant to the policy can affect the end price such as:

- the type of vehicle insured and any modifications made to it, accessories;
- the experience or age of the drivers;
- where the vehicle will be garaged and how it will be used.

Factors that increase the risk to us generally increase the premium (e.g. higher agreed value sum insured or a high claims experience) and those that lower the risk reduce the premium payable (e.g. lower agreed value sum insured, higher excess or your level of security). If you have any queries on this you can ask us when you apply.

Your premium also includes amounts that take into account our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to the policy. Where we are required to pay an estimated amount (for example for a Fire Services Levy) based on criteria set by the government, we allocate to the policy our estimate of the amount we will be required to pay. We may over or under recover in any particular year and we do not adjust your premium because of this.

The premium charged together with the actual amount of these individual taxes and/or charges will be displayed in your policy schedule.

Our Service Commitment – Dispute Procedures

CUNA Mutual General Insurance is committed to service excellence. An integral part of our service excellence is the provision of an efficient, free and fair internal dispute resolution procedure.

Should you have a complaint in connection with the policy relating to a claim, our service or that of our agents or any one else acting on our behalf, please contact us directly and we will do our utmost to resolve the problem. Our contact details are shown on page 6. If the service officer receiving the complaint cannot resolve it, it will be referred to a Manager with sufficient authority to deal with the complaint. A written response will then be issued within 15 working days.

If this is not satisfactory to you, at your request, the matter will be treated as a dispute and referred to our Internal Dispute Resolution Committee (IDR) comprising persons with the appropriate experience, knowledge and authority to deal with it. This is a free service to you. A written response will be issued within 15 working days of the dispute arising. This response will also provide details of further action that you may take if the dispute is not resolved to your satisfaction.

If the above internal process does not result in the dispute being resolved you may contact:

Financial Ombudsman Service Limited
GPO Box 3, Melbourne VIC 3001
Telephone 1300 78 08 08 (local call fee applies)

The Financial Ombudsman Service consists of a group of specialist advisers who are independent from insurance companies and whose purpose is to assist in the resolution of such disputes and is at no cost to you.

You can obtain further information on the Financial Ombudsman Service at www.fos.org.au

Your Cooling-Off Period

If you are not completely satisfied with this insurance product, you may cancel your policy within 21 days from the date of its commencement and receive a full refund. To take advantage of this offer we must receive a request in writing from you within 21 days of the commencement date. This offer does not apply if you have made or are entitled to make a claim within this period.

We will only return government duties and charges to you if they are recoverable by us.

Even after the cooling-off period ends you still have cancellation rights (see page 38).

Making a Claim

Full details of what to do in the event of making a claim can be found on page 41 in the policy wording. Our contact details are on page 6.

It is important that you understand and follow our instructions on what to do in the event of making a claim. Failure to comply with these obligations can have serious consequences in the event of a claim being made by you, including us reducing the amount we pay you or any interested parties by an amount to take account of the prejudice we suffer by you not following our instructions.

Changes to the PDS

Information in this PDS may need to be updated from time to time where required and permitted by law. You can obtain a paper copy of any updated information without charge by calling us on the contact details provided in this document. If the update is to correct a misleading or deceptive statement or an omission that is materially adverse from the point of view of a reasonable person deciding whether to acquire the policy, we will provide you with a new PDS or a supplementary PDS.

Other documents may form part of the PDS. Any such documents will include a statement identifying them as part of this PDS.

Explanation of Excesses

As explained in “Words that have Special Meanings” on pages 18-20, excess means the amount you must pay or contribute towards the claim. The amount of any excess payable is shown in your policy schedule.

Depending on the circumstances of your claim you may be required or directed by us to either:

1. pay the excess to a repairer before you take delivery of your vehicle;
2. have the excess deducted from any cash settlement paid by us to you;
3. pay the excess directly to us.

Which excess applies to your claim?

There are five types of excess that may apply if you make a claim. Some excesses will apply to all claims you may make. Other excesses will only apply in the event of an accident and will depend on who was driving at the time of the accident. To work out the total you will have to pay in the event of a claim, you add up all applicable excesses:

1. Standard excess – we have priced this product on the basis that a standard excess will apply. This is the minimum excess that will apply unless you have paid an additional premium to remove it from the policy, or the policy indicates otherwise.
2. Imposed excess – we may consider it necessary to impose an additional excess due to a higher degree of risk that may exist. If the imposed excess applies, the amount payable will be the total of the standard excess plus the imposed excess.

3. Age excess – this will apply where the declared driver in control of your vehicle at the time of the incident giving rise to the claim is not 25 years of age or older. If the driver in control of your vehicle at the time of the incident is not a declared driver, this excess will not apply but the undeclared driver excess may apply if they are under 25 years of age.
4. Inexperienced driver excess – this will apply where the driver in control of your vehicle at the time of the incident giving rise to the claim has not held a driving licence for at least two years immediately before the incident. If the inexperienced driver is also under 25 years of age, the age excess or the undeclared driver excess will apply in addition to this excess and any applicable standard and imposed excesses.
5. Undeclared driver excess – this will apply where the driver in control of your vehicle at the time of the incident giving rise to the claim is not a declared driver and is not 25 years of age or older.

When will you not be required to pay an excess?

If the following circumstances apply to your claim you do not need to pay the particular excess as detailed below.

1. An incident that we agree was not the fault of you or the driver and you can supply us with the name and current address and vehicle registration number, if applicable, of the person responsible for the accident.
2. One windscreen or window glass claim per period of insurance. Any subsequent claim relating to windscreen or window glass in that same period of insurance will attract any applicable excesses, other than any age, inexperienced driver or undeclared driver excesses.
3. Theft, hail, storm, flood and malicious damage claims. Where the damage is caused by one or more of these events you will not be required to pay any age, inexperienced driver or undeclared driver excesses.
4. Undeclared driver excess. You will not be required to pay the undeclared driver excess if the person driving the vehicle at the time of the accident:
 - (a) was required to drive your vehicle as a result of an emergency involving the prevention of, or remedial action following, serious bodily injury or sickness to a person; or
 - (b) is an employee of a commercial business that has custody of your vehicle with your permission to park, service or repair your vehicle.

1. charged and convicted with theft or illegal use of your vehicle;

If you have elected to take this option your policy schedule will be noted accordingly.

3. any costs in excess of 15 days;
4. any costs arising before:
 - (a) we have accepted your claim; and
 - (b) we have approved the repair of your vehicle; and
 - (c) you have made your vehicle available for repairs to be commenced;
5. any costs arising after your vehicle has been repaired;
6. any costs arising after we determine your vehicle is a total loss and we have paid you the agreed value of your vehicle;
7. the running costs of the hire car fuel, hire deposits, insurance premiums and excesses, maintenance and any other extras related to the hire car or hire agreement;
8. any loss or damage to a substitute vehicle;
9. events or circumstances detailed in Section 2G – Exclusions on pages 36-37.

Section 2H – General Conditions

The following are important conditions you must comply with and apply to all sections of the policy.

1. Legal representation

We have the right at our discretion to represent or defend you or any person who may be entitled to cover under the policy, in respect of any legal liability as we see fit.

2. Taking precautions

You must take all reasonable precautions to safeguard your vehicle and personal effects from loss or damage and maintain it in good condition and avoid risk of injury arising from it.

3. Cancelling the policy

You may cancel the policy at any time by advising us in writing or by phone. We will refund you the unexpired portion of the premium less any administration cost.

We may have the right to cancel the policy if you have:

- (a) failed to comply with your duty of disclosure; or
- (b) failed to comply with a condition of the policy; or
- (c) made a fraudulent claim under this or any other policy of insurance; or
- (d) not paid the premium for the policy.

We may only cancel the policy under the provisions of the Insurance Contracts Act 1984. We will provide you with written notice of the cancellation date, and will refund to you the unexpired portion of the premium from the date of the cancellation.

If a claim is settled on a total loss basis the policy comes to an end and there is no refund of premium as the policy has been paid out in full. This does not apply if the total loss claim is settled under Additional Benefit 1 in Section 2D – Additional Benefits automatically included on page 28.

4. Paying by instalments

If you are paying your premium by instalments:

- (a) if an instalment remains unpaid for a period of one month or longer, we will cancel the policy;
- (b) if a claim is settled on a total loss basis you must pay all remaining instalments to the expiry date. We will deduct these amounts from the amount we pay.

5. Notification of change of risk

You must notify us in writing or by phone if during the period of insurance:

- (a) a modification is made to your vehicle;
- (b) the place where your vehicle is regularly garaged changes;
- (c) the purpose for which you use your vehicle changes;
- (d) the declared drivers noted on your policy schedule change.

You must notify us in writing or by phone as soon as possible but no later than at renewal if, during the period of insurance the declared drivers:

- (a) are involved in a claim on any motor vehicle insurance policy, other than the policy;
- (b) are charged with or convicted of any offence relating to the use of any motor vehicle;
- (c) have their licence cancelled, suspended or lapsed or reduced to a probationary or extraordinary licence;
- (d) are charged with or convicted of any criminal offence.

We may charge extra premium, add special conditions or cancel the policy if any of these changes occur.

6. Persons bound

Any person who may be entitled to make a claim under the policy is bound by these terms and conditions. Any statement, act, omission or claim by any of you is a statement, act, omission or claim by all of you.

We shall be entitled to raise against any of you and against any other entity entitled to make a claim under the policy any defence available against any of you.

7. Breach of policy

If you are in breach of or do not comply with the terms of the policy, subject to the Insurance Contracts Act 1984, we may refuse to pay your claim, in whole or in part.

Section 2H – General Conditions (cont.)

8. Goods and Services Tax (GST)

If you make a claim under the policy and a payment is to be made by us which results in an acquisition of goods or services or some other supply, whether or not the acquisition is made, we will reduce any payment to be made by the amount of any input tax credit to which you would or will be entitled if you were to purchase replacement goods or services.

If you make any claim under the policy, you must inform us of any entitlement you may have to claim an input tax credit for the GST amount charged on the policy, and the proportion of the GST that you can claim as an input tax credit.

If you make a claim under the policy where a payment is to be made by us and instead of making a payment for the acquisition of goods, services or other supply, we make a payment as compensation, we will reduce the amount of any payment by an amount equal to any input tax credit to which you would or will be entitled as if the payment had been made to acquire any such goods, services or other supply.

9. Right of recovery (Subrogation)

We have the right subject to the Insurance Contracts Act 1984 to instigate recovery proceedings in your name against any person who we believe is responsible for the loss or damage to your vehicle, and you must give us any information and help that we may reasonably require.

We will include any excess you have paid in this recovery action, but your excess will not be refunded to you until we have recovered the full amount of the claim plus any costs we incur in the recovery action.

Section 2I – What To Do in the Event of a Claim

The following applies to all sections of the policy.

1. Do not admit liability

Whatever the circumstances you may encounter, you or the person driving your vehicle or any person who may be entitled to make a claim under the policy, must not:

- (a) make any admissions;

Other than temporary emergency repairs detailed on pages 30-31 you must not undertake or authorise repairs without our prior written consent.

4. Contact the police

5. Notification of an incident

You must advise us as soon as possible of an incident that may give rise to a claim under the policy.

6. Co-operation and retention of evidence

You, the person driving your vehicle, or any person who may be entitled to make a claim under the policy must:

- (a) furnish us with all information and assistance we request in relation to the claim;
- (b) retain any evidence of any loss or damage including receipts and make this evidence available to our representative for inspection.

7. Quotes and inspections

You will need to obtain at least one quotation from a repairer nominated by us. We will in most instances need to inspect your vehicle before repairs can be authorised.

Section 2 – The Policy Wording

Section 2J – No Claim Bonus

Refer to “Cover Applicable to You”, page 22, to see if this section is applicable to the policy.

A no claim bonus is designed to reward those drivers with a good driving record. Your policy schedule reflects the level of no claim bonus you have achieved, and this directly affects the amount of premium that you have to pay to us. We offer a protected no claim bonus benefit which means that even if you have one or more at-fault claims during the period of insurance, your no claim bonus will not change on renewal. If you have no at-fault claims during the period of insurance, your no claim bonus will increase on renewal by one level up to a maximum of 65%.

We consider an accident not to be your fault if we agree that you did not contribute to the cause of the accident, or you can prove that another person was completely responsible and you can provide the person’s name, current address and their vehicle registration number.

The following table illustrates how our no claim bonus system works:

Current level of no claim bonus	One or more at-fault claims during the period of insurance	No at-fault claims during the period of insurance	No claim bonus on renewal
0%	Yes	–	0%
0%	–	Yes	25%
25%	Yes	–	25%
